## **KLEEN BRAKE**

BRAKE CLEANER LIMPIADOR DE FRENOS

KLEEN BRAKE cleans without damage. Will not adversely attack metal or brake shoes. Flushes away contaminants and evaporates instantly. May be applied to equipment while working. Minimum residual film. Cleaned parts may be handled immediately.

#### **DIRECTIONS**

Sunrise Environmental Scientific strongly suggests the use of protective wear with this or any other similar compound.

This product may be harmful to certain plastics. Make certain to pre-test in an inconspicuous area prior to applying. Apply KLEEN BRAKE to surface area to be treated. Allow sufficient working time for product to clean properly or use "white pad," brush or rag to agitate soiled area. Wipe with coarse-nap rag to absorb soil and residue. More difficult conditions may require repeated applications of KLEEN BRAKE.
