FOAMING DERMI-GEL

FOAMING DERMI-GEL is the essential ingredient in today's social, industrial and general working environment. This amazing compound instantly cleans hands, arms, or wherever applied. It can be used without water to provide cleansing and peace of mind to the user. Teachers, police officers and firemen will find DERMI-GEL an essential tool in their work-place. The portable characteristic of DERMI-GEL makes it both convenient and reliable. DERMI-GEL is ideal for restroom use after regular handwashing as well.

DIRECTIONS

Apply FOAMING DERMI-GEL to palm and wash hands normally, making certain to cover skin thoroughly with product. There is no need to use towels or air driers since this compound dries itself within seconds. Notice clean, fresh scent.
