

GALAXY CONDITIONER

LIQUID FOAMING CONDITIONER

**AUTO & FLEET
MAINTENANCE**

CONCENTRATED AUTOMATIC CAR WASH COMPOUND

GALAXY CONDITIONER is the first of a three part cleaning process for automatic car washes. **GALAXY CONDITIONER** is designed to dissolve away road grime, bugs, dirt and oils from the surface. **GALAXY CONDITIONER** is highly concentrated which provides for superior cleaning and reduced cost. The high volume of foam and the pleasing lemon scent makes **GALAXY CONDITIONER** the ultimate wash for automated car and truck wash systems. When used in conjunction with the **GALAXY** rinse agent and tri-color wax, sealant and u-v protector your vehicles will come out looking brand new.

FEATURES & BENEFITS:

Concentrated: Most economical and powerful wash on the market.

Foam generator: Allows longer working time.

Lemon scent: Pleasant to work with.

APPLICATIONS:

Wash cycle in automatic car washes.

DIRECTIONS

Dilute **GALAXY POWER WASH** at a rate of 1 part of **GALAXY POWER WASH** to 4.5 parts water. 12 gallons of **GALAXY POWER WASH** will make a 55-gallon drum. Once you have diluted to this level simply hook the drum to the system and you are finished.
