

RAGTIME

**NEW & IMPROVED
NOW WITH CITRUS!**

**PRETREATED
RAG PRODUCTS**

This amazing new concept in hand and tool cleaning is the result of extensive research into the demands of mechanics and technicians. The entire contents of this bucket are biodegradable, including the wipe itself. **RAGTIME** wipes can be used to not only cleanse hands and tools but also for applications as diverse as laundry pre-spotting, carpet and upholstery spot-cleaning and hard-surface cleaning. The innovative formula which impregnates these powerful wipes allows for the toughest cleaning jobs yet is buffered to use on less demanding tasks. **RAGTIME** wipes can be used at the bench, central wash stations and in utility vehicles as well. The portability of these scrubs makes them the item of choice for utility companies, phone and cable operations, police and fire departments and all types of service companies.
