SWEEP EASE

SUNRISE'S new blended sweeping compound is a definite necessity for all industrial, municipal and institutional maintenance operations. **SWEEP EASE** is a fantastic sweeping assistant which lessens sweeping time and lengthens the intervals between sweepings. Use **SWEEP EASE** on linoleum, concrete, wood, tile or similar floors. This fantastic product actually enhances the sheen on waxed and finished floors.

DIRECTIONS: Broadcast **SWEEP EASE** liberally over area to be swept and simply sweep up the material until floor is clean.
