

CHLORFOAM

CHLORINATED CLEANER
LIMPIADOR TRARADO CON CLORO

CHLORFOAM has been designed for the cleaning of floors, walls, machinery and all processing apparatus. Although primarily targeted for the food processing and packaging industries, CHLORFOAM is an excellent cleaner for all areas requiring the benefits of a chlorine-based cleaning compound. When used with all types of foaming apparatus, CHLORFOAM provides an excellent foam blanket, enabling it to cling to surfaces and increase work time. The detergents and compounds used in CHLORFOAM make it the forerunner in the specialty-cleaning-products market.

DIRECTIONS:

- **WEAR PROTECTIVE EQUIPMENT:** Face shield, chemical resistant gloves, apron and boots.

SUNRISE recommends the use of rubber gloves, rubber boots, aprons and face shields when using this or any other cleaning compound. For heavy-duty cleaning of encrusted soils use CHLORFOAM in dilutions up to 3 parts of water to one part of product. For lighter-duty cleaning requirements, dilute CHLORFOAM as high as 50 to 1.

Application: Rags, brushes, high-pressure sprayers, garden type sprayers. The use of hot or warm water will enhance the cleaning capability of this or any other cleaning compound. When using high pressure spraying equipment or hot water, allow adequate ventilation. Rinse thoroughly with clean water after application.

CAUTION: CONTAINS CAUSTIC AND/OR STRONGLY ALKALINE SUBSTANCES, HARMFUL OR FATAL IF SWALLOWED. AVOID CONTACT WITH EYES, SKIN AND CLOTHING. PROLONGED OR REPEATED CONTACT MAY CAUSE DERMATITIS IN SENSITIVE INDIVIDUALS. PROTECTIVE EQUIPMENT RECOMMENDED.

PACKAGING

- 1 Gallon 15 Gallon 275 Gallon
 5 Gallon 30 Gallon Other:
 6 Gallon 55 Gallon

CAUTIONS

Contains caustic and/or strongly alkaline substances, harmful or fatal if swallowed. Avoid contact with eyes, skin and clothing. Prolonged or repeated contact may cause dermatitis in sensitive individuals. Protective equipment recommended. Gloves, apron and goggles recommended. Do not ingest. If ingested drink large quantities of potable water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Use ventilation adequate to prevent, cough, hoarseness, or irritation. OSHA approved respirator recommended. If eyes are contacted, flush with water for at least 15 minutes. See a physician immediately. If skin is contacted, wash off with soap and water. Do not apply ointments until a physician is consulted. Clothing that is contaminated should be removed immediately. Flush with large amounts of water. Wash in an automatic machine before wearing again. Dispose of empty container in accordance with local regulations. Consult Safety Data Sheet for additional information.

INGREDIENTS

Sodium Hydroxide 1310-73-2, Potassium Hypochlorite 7681-52-9, Sodium Metasilicate 6834-92-0, Tetrasodium Ethylenediamine Tetraacetate 64-02-8, Sodium Polyacrylate 9003-04-07, Lauramine Oxide 1643-20-5

HAZARDS IDENTIFICATION

Signal Word: **WARNING**

Precautionary Statement(s):

- Skin and eye irritant
- Respiratory tract irritant
- Swallowing will cause gastrointestinal irritation
