WINDSHIELD WASHER CONCENTRATE

**AUTO & FLEET
MAINTENANCE**

No residue, fast action chemical, effective at minus 60°, generates no heat, harmless to finishes, non-corrosive, improves visibility

FEATURES & BENEFITS:

Ethanol base- Greater ice melting ability.

Reduced emulsifiers- Less streaking.

Highly concentrated- More economical to use.

APPLICATIONS:

Windshield washer reservoir in trucks, buses, autos-for year around use.

DIRECTIONS:

NORMAL GLASS CLEANING: Concentrate may be used full strength or diluted with up to 8 parts of water for regular cleaning of glass and glazed surfaces. Concentrate will have thawing effects, and will not freeze at temperatures down to 60°F below zero. **WINDSHIELD WASHERS:** During extreme conditions of cold, use Concentrate full strength. It will function not only as a superior glass cleaner, but also as an excellent frost and ice melter. **WINTER USE:** Dilute as follows to give protection indicated:

8 oz. per qt. of water... 15°F.

16 oz. per qt. of water... -4°F.

24 oz. per qt. of water... -31°F.

Concentrate as is-less than -60°F.

SUMMER USE: Add 4 oz. of solvent to 3 pints (48 oz.) of water.

CUSTOMERS WHO USED THIS PRODUCT ALSO USED:
