

# SUMMIT

## CONCENTRATED ODOR CONTROL

ODOR  
CONTROL

Especially formulated for controlling odors in sewage disposal plants, lagoons, sludge drying beds, drainage ditches. Aerators, land fills, refuse dumps, sewer mains, storm sewers, wet wells, lift and pumping stations, garbage dumps and trucks.

For municipal, professional and industrial use only.

### FEATURES & BENEFITS:

**Unique neutralizer-** Chemically eliminates foul odors.

**Contains no o.D.B.-** Safe, effective product.

### APPLICATIONS:

This product is for use in sewage plants and other related areas where it is desirable to control sewage odors.

### DIRECTIONS:

**For sewer drip applications,** use 1 gallon per 250,000 to 1,000,000 gallons of sewage flow.

**For most applications** over large areas, use 1 gallon of product in 100 to 200 gallons of water.

Spray over area of desired odor control.

**For long-lasting odor control** of contaminated or highly odiferous areas, spray concentrate directly on surface.

### CUSTOMERS WHO USED THIS PRODUCT ALSO USED:

### FORMULATION:
