ORANGE SCENTED SILICONE LUBRICANT MADE WITH FOOD GRADE COMPOUNDS

SUPER GLIDE FG is a non-staining orange scented silicone that eliminates sticking problems and annoying squeaks. **SUPER GLIDE FG** will repel water and ice and will retard rust and corrosion. **SUPER GLIDE FG** will lubricate and free sticking windows, doors, drawers, zippers, cabinets, etc. **SUPER GLIDE FG** may also be used on rubber, leather, metal, nylon, wood and painted surfaces. The pleasant citrus aroma allows for use in processing plants as well as other confined spaces. Do not apply directly to food. This product can be used on food processing equipment where there is no direct contact of the lubricant with food. Note: This product contains a solution of saturated aliphatic hydrocarbons. Addition to food not to exceed 1 part per million. The silicone ingredient is in the code of Federal Regulations of the FDA, in 21 CFR part 178.3570.
