PART #2149

QR CODE:

G-FORCE was formulated for the easy removal of graffiti, primarily from walls, concrete and broad sections of surfaces that have been tagged. **G-FORCE** is designed to remove paint, crayon, marker, pencil, pen, lipstick, paint pens, marking paint and most any form of graffiti from large surfaces such as bridge abutments, street signs, walls, and sidewalks.

FEATURES & BENEFITS:

Safe- Safer to use on luminescent signs and VOC compliant.

Non-flammable- Easy to transport.

Non-staining- Won't blemish.

APPLICATIONS:

The removal of most paints, inks and crayon graffiti from street signs, floors and most hard surfaces.

DIRECTIONS:

SUNRISE ENVIRONMENTAL SCIENTIFIC STRONGLY SUGGESTS THE USE OF PROTECTIVE WEAR WITH THIS OR ANY SIMILAR COMPOUND.

Use **G-FORCE** in a well ventilated area. If necessary, use a mechanical ventilating device or move the target surface to another area. Shake the container thoroughly prior to use. Pre-test an inconspicuous spot for color fastness prior to use. For graffiti on painted surfaces, apply **G-FORCE** to a rag or "white pad," then wipe on target surface. More difficult problem areas may require standing time for the product to work. In addition, a secondary application of product may be required. When using on masonry, the use of a soft-bristled scrub brush will assist in the removal of target problem.

CUSTOMERS WHO USED THIS PRODUCT ALSO USED:

FORMULATION:

This product contains cleaning agents in a complex solvent solution.

TARGET ACCOUNTS:

Schools, apartments, government agencies, fleets, restaurants, parks and recreation, street sign departments and wherever graffiti is a problem.

SPECIAL CAUTIONS:

Pre-test an inconspicuous area before using.
