

OVEN MAGIC is safe to use on porcelain and chrome oven surfaces, glass, ceramics, stainless steel and cast iron. Avoid contact with clothing, floor tile and linoleum, plastics, painted and varnished surfaces, copper or coppertone and aluminum. Keep spray or drippings away from hot light bulbs, electrical connections, switches or receptacles.

#### DIRECTIONS

Wear chemical resistant gloves, protective goggles or face shield. Avoid any skin contact. Chemical resistant apron and boots recommended. Place newspaper under oven door to protect floor. Avoid contact with painted surfaces. Heat oven to 200°F then turn off. Hold can upright and point valve away from body and eves. Hold can about 8 to 12 inches away from oven surface and spray evenly. Spray top and bottom of oven first; then spray remaining oven surfaces and allow to stand from 5 to 10 minutes. In case of contact with skin wash promptly with soap and water. Wipe oven clean with damp cloth, sponge or paper towel. Spots that are difficult to remove should be retreated and cleaned with a scouring pad. Rinse thoroughly with potable water. Preheat oven for 10 minutes before using oven. This Oven Cleaner is also excellent for cleaning grills, rotisseries, stove burners, electric frying pans and accessories.

# **USE ON:**

- Stove Burners 
  Porcelain
- Frving Pans Ceramics
- Rotisseries Steel
- Grills

#### CAUTIONS

The contents of this container are under pressure. Do not puncture or incinerate. Do not store in direct sunlight or where temperature exceeds 120°F. Use ventilation adequate to maintain TLV. Avoid prolonged or repeated contact with skin. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. Point tip away from body and eyes before spraying. Do not spray near open flame or ignition source. Avoid contamination of food or potable water. Dispose of empty can in accordance with local regulations. Do not ingest. If skin is contacted, wash off with soap and water. If eves are contacted, flush 15 minutes with water. See a physician. Consult Safety Data Sheet for additional information.

#### INGREDIENTS

Sodium Hydroxide 1310-73-2, Potassium Hydroxide 1310-58-3, Propellant 68-476-86-8, 2 Butoxyethanol 111-76-2, 2 Diethylene Glycol 111-90-0, Nonyl Ethoxylate 1277087-87-0, Cocodiethanol Amide 68603-42-9, Monoethyl Ether N/A, Dietanolamine 111-42-2

#### HAZARDS IDENTIFICATION

#### Signal Word: WARNING

Precautionary Statement(s):

- · Skin and eye irritant
- Respiratory tract irritant
- · Swallowing will cause gastrointestinal irritation
