

STREET HEATERS

ALL-PURPOSE Deodorizing and Cleaning Industrial Wipe

PRETREATED
RAG PRODUCTS

This amazing new concept in tool and surface cleaning is the result of extensive research into the demands of mechanics and technicians. *The entire contents of this bucket are biodegradable, including the wipe itself.* **HEATERS** wipes can be used to not only cleanse tools and hard surfaces, but also for applications as diverse as laundry pre-spotting, carpet and upholstery spot-cleaning and hard-surface cleaning. The innovative formula which impregnates these powerful wipes allows for the toughest cleaning jobs yet is buffered to use on less demanding tasks. **HEATERS** wipes can be used at the bench, central wash stations and in utility vehicles as well. The portability of these scrubs makes them the item of choice for utility companies, phone and cable operations, police and fire departments and all types of service companies.
